**POWERFUL "FOAM GUN" SPRAY
ENVIRONMENTALLY FRIENDLY
BIODEGRADABLE**

A unique aerosol foam which enables simple and easy clean-up of tools, parts, workbenches, vent covers, machinery, coils, industrial equipment, concrete and more! Sprays as an engulfing, heavy-duty foam that clings to surfaces and provides extended cleaning contact time. Contains super powerful, water-soluble, grease dissolving agents and detergents for instant mega-forceful cleaning action. Provides a self-indicating cleaning action foam which quickly breaks down grease and grime and becomes dirty indicating soil is ready to be flushed clean. Deodorizes as it cleans leaving the area with a fresh citrus aroma.

USE ON:

DIRTY ENGINES, GREASY, OILY MACHINERY, TOOLS, LAWN EQUIPMENT, CONSTRUCTION EQUIPMENT, ROAD EQUIPMENT, DRIVEWAYS and PARKING LOTS, INDUSTRIAL EQUIPMENT, AIR CONDITIONING COILS, EXHAUST VENTS and MORE!

DIRECTIONS:

SHAKE WELL BEFORE USING

For best results, spray directly onto soiled surfaces. Look for self-indicating foam to become dirty, then wipe or flush with water stream. For difficult to remove stains and soils, allow foam to remain on surface for several minutes before wiping or flushing. Repeat application as needed. A stiff bristled brush may be useful for loosening stubborn soils.

CAUTION:

Contains Citrus Terpene (5989-27-5), Liquefied Petroleum Gas (68476-85-7), Diethylene Glycol Monoethyl Ether (111-77-3), Nonylphenol Ethoxylate (127087-87-0), and Diethanolamine (111-42-2). NOTE: This product produces vapors that are flammable when concentrated or confined. Use only in well-ventilated areas. Keep away from heat, sparks or open flame. Allow areas where product has been sprayed to ventilate thoroughly before using or energizing equipment. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F.

FIRST AID:

IF EYE CONTACT: Flush with large amounts of cool running water for at least 15 minutes while holding upper and lower lids open. If irritation persists get medical attention immediately. IF SKIN CONTACT: Wash with soap and water. If irritation persists seek medical attention. EXCESSIVE INHALATION: Remove to fresh air. Seek medical attention immediately. If breathing stops give artificial respiration. IF INGESTED: Do not induce vomiting. Seek medical attention immediately.
